§ 21

Det beslutades i enlighet med styrelsens förslag att bemyndiga styrelsen att vid ett eller flera tillfällen under tiden fram till nästkommande årsstämma besluta om:

- I. nyemission av aktier mot kontant betalning och/eller med bestämmelse om apport eller kvittning eller eljest med villkor samt att därvid kunna avvika från aktieägarnas företrädesrätt. De nya aktierna skall, i den mån de ges ut med avvikelse från aktieägarnas företrädesrätt, emitteras till ett belopp som nära ansluter till aktiekursen vid tiden för genomförandet av nyemissionen; och
- II. emission av konvertibla skuldebrev mot kontant betalning och/eller med bestämmelse om apport eller kvittning eller eljest med villkor samt att därvid kunna avvika från aktieägarnas företrädesrätt. De konvertibla skuldebreven skall, i den mån de ges ut med avvikelse från aktieägarnas företrädesrätt, emitteras till en kurs som nära ansluter till marknadsvärdet

baserat på aktiekursen vid tiden för genomförandet av emissionen av de konvertibla skuldebrevet.

Skälet till avvikelsen från aktieägarnas företrädesrätt är att möjliggöra företagsförvärv eller andra större investeringar. Det totala antalet aktier som skall kunna ges ut med stöd av bemyndigandet får inte överstiga 35 000 000. Om bemyndigandet utnyttjas i sin helhet motsvarar ökningen av aktiekapitalet en utspädningseffekt om cirka tio procent.

Röstdosor användes vid omröstningen och det antecknades att beslutet fattades med erforderlig majoritet om minst två tredjedelar av såväl de avgivna rösterna som de aktier som var företrädda vid årsstämmman.

In accordance with the proposal of the Board of Directors, it was resolved to authorise the Board of Directors to decide, at one or more occasions until the next Annual General Meeting:

- I. *to issue new shares with consideration in cash or in kind or by set-off or otherwise with conditions and thereby be able to resolve to disapply the shareholders pre-emption rights. To the extent the new shares are issued with disapplication of the shareholders pre-emption rights they shall be issued at a subscription price that closely corresponds to the market price of the shares at the time of the issue; and*
- II. *to issue convertible debentures with consideration in cash or in kind or by set-off or otherwise with conditions and thereby be able to resolve to disapply the shareholders pre-emption rights. To the extent the convertible debentures are issued with disapplication of the shareholders pre-emption rights they shall be issued at a subscription price that closely corresponds to market value based on the market price of the shares at the time of the issue of the convertible debentures.*

The reason for disapplying the shareholders' pre-emption rights is to enable business acquisitions or other major investments. The total number of shares that can be issued based on the authorisation may not exceed 35,000,000. If the authorisation is exercised in full, the newly issued shares would constitute approximately ten per cent of the share capital.

Voting devices were used in the voting and it was noted that the resolution was passed with the required majority of at least two thirds of both the votes cast and shares represented at the Annual General Meeting.

§ 22

Det beslutades i enlighet med styrelsens förslag att bemyndiga styrelsen att under perioden fram till nästa årsstämma besluta om återköp och försäljning av aktier i Lundin Petroleum på NASDAQ OMX Stockholm och Torontobörsen ("börserna"). Det högsta antalet återköpta aktier skall vara sådant att bolagets innehav av egna aktier inte vid något tillfälle överstiger fem procent av samtliga aktier i bolaget. Förvärv av aktier får ske endast till ett pris inom det på börserna vid var tid registrerade intervallet mellan högsta köpkurs och lägsta säljkurs. Återköp skall ske i enlighet med bestämmelserna om återköp av aktier i tillämpliga börsregler.

Syftet med bemyndigandet är att ge styrelsen ett instrument att optimera Lundin Petroleums kapitalstruktur för att därigenom skapa ökat värde för aktieägarna samt att säkra Lundin Petroleums kostnader avseende dess incitamentsprogram. Bemyndigandet skall även innefatta att

säkerställa åtagandena avseende incitamentsprogrammen genom förvärv av derivat. Återköpta aktier får inte överlätas till anställda i bolaget.

Röstdosor användes vid omröstningen och det antecknades att beslutet fattades med erforderlig majoritet om minst två tredjedelar av såväl de avgivna rösterna som de aktier som var företrädda vid årsstämmans.

It was resolved, in accordance with the proposal of the Board of Directors, to authorise the Board of Directors, during the period until the next Annual General Meeting, to decide on repurchases and sales of Lundin Petroleum shares on the NASDAQ OMX Stockholm Exchange or the Toronto Stock Exchange (the "Exchanges"). The maximum number of shares repurchased shall be such that shares held in treasury from time to time do not exceed five per cent of all shares of the Company. Repurchase of shares on the Exchanges may take place only at a price within the spread between the highest bid price and lowest ask price as registered from time to time on the Exchanges. The repurchases shall be made in accordance with the provisions concerning the purchase of a company's own shares under applicable stock exchange rules and regulations.

The purpose of the authorisation is to provide the Board of Directors with an instrument to optimise Lundin Petroleum's capital structure and thereby create added value for the shareholders and to secure Lundin Petroleum's obligations under its incentive plans. The authorisation shall also include the right to secure the obligations under the incentive plans by the acquisition of derivatives. Repurchased shares may not be transferred to the Company's employees.

Voting devices were used in the voting and it was noted that the resolution was passed with the required majority of at least two thirds of both the votes cast and shares represented at the Annual General Meeting.

§ 23

Valberedningen skall enligt valberedningsprocessen förbereda förslag till följande beslut: (i) ordförande vid årsstämmans; (ii) antal styrelseledamöter; (iii) styrelseledamöter; (iv) styrelseordförande; (v) styrelsearvoden med en fördelning mellan ordföranden och övriga ledamöter, samt ersättning för kommittéarbete; (vi) val av bolagets revisor (vid behov); (vii) arvoden till revisorn; samt (viii) valberedningsprocess inför 2014 års årsstämma, i enlighet med **Bilaga 7**.

Röstdosor användes vid omröstningen och det antecknades att beslutet fattades med erforderlig majoritet.

Report and Proposals of Lundin Petroleum AB's Nomination Committee for the 2012 Annual General Meeting of Shareholders

The Nomination Committee of Lundin Petroleum AB (publ) (hereinafter "Lundin Petroleum" or the "Company") submits the following report for the Annual General Meeting of Lundin Petroleum to be held on 10 May 2012.

1. Formation of the Nomination Committee

The Annual General Meeting of Lundin Petroleum held on 5 May 2011 resolved that the following principles shall apply for the nomination process for the 2012 Annual General Meeting.

The Chairman of the Board of Directors shall invite three or four of the Company's larger shareholders to form a Nomination Committee based on shareholdings as per 1 August 2011. The names of the members of the Nomination Committee shall be announced not later than six months prior to the 2012 Annual General Meeting. If the shareholding in the Company changes significantly before the Nomination Committee's work is completed, a change in the composition of the Nomination Committee may take place. The Nomination Committee shall remain in office until a new Nomination Committee has been appointed. The Nomination Committee shall appoint its Chairman within the Nomination Committee.

The Nomination Committee shall prepare the following proposals for resolutions to the 2012 Annual General Meeting:

- (i) proposal for Chairman of the meeting;
- (ii) proposal for members of the Board of Directors;
- (iii) proposal for Chairman of the Board of Directors;
- (iv) proposal for remuneration of the members of the Board of Directors, distinguishing between the Chairman and the other members of the Board of Directors and remuneration for Committee work;
- (v) proposal for election of auditors (when needed);
- (vi) proposal for remuneration of the Company's auditors; and
- (vii) proposal for the principles of the nomination process for the 2013 Annual General Meeting.

On 21 October 2011, the Nomination Committee for the 2012 Annual General Meeting was formed with the following members: Ian H. Lundin (Chairman of the Board of Directors, representing Lorito Holdings (Guernsey) Ltd., Zebra Holdings and Investment (Guernsey) Ltd. and Landor Participations Inc.), Magnus Unger (member of the Board of Directors), Kerstin Stenberg (representing Swedbank Robur fonder), Ulrika Danielson (representing Andra AP-fonden) and Anders Algotsson (representing AFA Försäkring). The Nomination Committee represented as per 1 August 2011 approximately 38.2 percent of the shares in Lundin Petroleum. The Nomination Committee meets the independence requirements of the Swedish Code of Corporate Governance (hereinafter the "Code").

Magnus Unger was appointed Chairman of the Nomination Committee at the first meeting, which constitutes a deviation from rule 2.4 of the Code as a member of the Board of Director shall according to this Code rule not act as Chairman of the Nomination Committee. The members of the Nomination Committee felt that it was justified that Ian H. Lundin be appointed Chairman in light of the Lundin family's

large shareholdings in the Company. Ian H. Lundin gratefully acknowledged this confidence but proposed that Magnus Unger be appointed Chairman instead as he has been for several years responsible for these types of issues within the Board of Directors and at Annual General Meetings, and as his closer connections to Sweden would facilitate the work of the Nomination Committee. For the same reasons, Magnus Unger has served as Chairman of Lundin Petroleum's Nomination Committees for the Annual General Meetings as of 2006 up to 2011.

The formation of the Nomination Committee was announced through a press release issued on 24 October 2011. The press release contained information on how shareholders could submit proposals to the Nomination Committee. No such proposals were received.

2. The work of the Nomination Committee

The Nomination Committee met on three occasions and had informal contacts in between the meetings. The Nomination Committee received a report on the work of the Board of Directors, as well as the results of an evaluation of the Board of Directors' work carried out by the Chairman of the Board of Directors. In addition, a comparison of directors' fees in Europe was undertaken by Chairman of the Nomination Committee and the findings thereof were presented to the full Committee.

Committee members representing shareholders independent of the major shareholders of Lundin Petroleum (Kerstin Stenberg and Ulrika Danielson) also held meetings per telephone with two current Board members, Asbjørn Larsen and Kristin Færøvik, to discuss the work and functioning of the Board of Directors. Ian H. Lundin and Magnus Unger were not present at these meetings.

3. Reasoned statement regarding the proposal for election of the Board of Directors

The Nomination Committee proposes that seven members of the Board of Directors be elected at the 2012 Annual General Meeting. The current number is eight, however, the Nomination Committee notes that Dambisa F. Moyo has advised the Company that due to her other work and time commitments, she does not wish to stand for re-election at the 2012 Annual General Meeting. Prior to the 2011 Annual General Meeting, the number of members of the Board of Directors was seven and the Nomination Committee considers that seven members is sufficient and appropriate for the Company's Board of Directors.

The Nomination Committee therefore proposes the re-election of all current members of the Board of Directors, with the exception of Dambisa F. Moyo, being Ian H. Lundin, William A. Rand, Magnus Unger, Lukas H. Lundin, C. Ashley Heppenstall, Asbjørn Larsen and Kristin Færøvik. The Nomination Committee further proposes the re-election of Ian H. Lundin as Chairman of the Board of Directors and that no deputy members be elected.

It is the opinion of the Nomination Committee that, taking into consideration the business operations of Lundin Petroleum, its current phase of development, and circumstances generally, the proposed Board of Directors is composed of multi-faceted individuals who are well-suited for the job and whose expertise, experience and background is extensive and the Board fulfils the requirements regarding independence in relation to the Company, Group management and the Company's major shareholders (see further below). Further information regarding the proposed members of the Board of Directors is included in Annex 1.

4. Remuneration of the members of the Board of Directors, the Chairman of the Board of Directors and remuneration for Committee work

The fees of the Board of Directors, the Chairman of the Board of Directors and fees for Committee work have remained unchanged since the 2007 AGM. Based on a review of the remuneration practices of other companies, the Nomination Committee considers that it is reasonable to increase the fees to reflect current market practice, given the size and nature of Lundin Petroleum's business. The Nomination Committee therefore proposes that the remuneration of the members of the Board of Directors, the Chairman of the Board of Directors and fees for Committee work and Committee Chairmen, be as follows:

- (i) annual fees of the members of the Board of Directors to be increased from SEK 400,000 to SEK 450,000 (excluding the Chief Executive Officer C. Ashley Heppenstall);
- (ii) annual fees of the Chairman of the Board of Directors to be increased from SEK 800,000 to SEK 1,000,000;
- (iii) annual fees for Committee members to remain unchanged at SEK 100,000 per Committee assignment (other than the Reserves Committee for which no fee is to be paid); and
- (iv) annual fees for Committee Chairmen to be increased from SEK 100,000 to SEK 150,000 (other than the Reserves Committee for which no fee is to be paid).

5. Independence of the members of the Board of Directors

According to the Code, a majority of the members of the Board of Directors elected by the shareholders' meeting are to be independent of the Company and Group management. In addition, at least two of the members of the Board of Directors who are independent of the Company and Group management are also to be independent of the Company's major shareholders.

It is the opinion of the Nomination Committee that all of the proposed members of the Board of Directors, with the exception of the Chief Executive Officer C. Ashley Heppenstall, shall be considered independent of the Company and Group management. In the opinion of the Nomination Committee, the fact that Ian H. Lundin has received fees for special assignments outside the directorship does not entail that he shall be considered non-independent of the Company and Group management.

With respect to independence of the Company's major shareholders, it is the opinion of the Nomination Committee that William A. Rand and C. Ashley Heppenstall shall not be deemed to be independent of the Company's major shareholders who are represented on the Board of Directors by Ian H. Lundin and Lukas H. Lundin. The reason for this assessment is that William A. Rand serves on the Board of Directors of a number of listed companies in which entities associated with the Lundin family are significant shareholders. C. Ashley Heppenstall is, in addition to his position as Chief Executive Officer of the Company, also a member of the Board of two other companies in which entities associated with the Lundin family are significant shareholders. It is the opinion of the Nomination Committee that Magnus Unger, Asbjørn Larsen and Kristin Færøvik are independent of the Company's major shareholders.

6. Election of auditor and auditor's fees

The Nomination Committee noted that PricewaterhouseCoopers AB, with authorised public accountant Bo Hjalmarsson as the auditor in charge, was elected at the 2009 Annual General Meeting for a term of four years and that no election of auditor is therefore required at the 2012 Annual General Meeting.

The Nomination Committee proposes that, as in previous years, the payment of auditor's fees shall be made upon approval of their invoice.

7. Nomination Committee Process for the 2013 Annual General Meeting

Following a review of current Swedish practice and for improved corporate governance, the Nomination Committee proposes that the nomination procedure for the 2013 Annual General Meeting shall follow the Nomination Committee Process attached hereto in Annex 2.

**The Nomination Committee's complete proposal for resolutions by the 2012

Ashley Heppenstall); (ii) annual fees of the Chairman of the Board of Directors of SEK 1,000,000; (iii) annual fees for Committee members of SEK 100,000 per Committee assignment (other than the Reserves Committee for which no fee is to be paid); and (iv) annual fees for Committee Chairmen of SEK 150,000 (other than the Reserves Committee for which no fee is to be paid); with the total fees for Committee work, including Committee Chairmen fees, not to exceed SEK 800,000.
- The registered accounting firm PricewaterhouseCoopers AB, with authorised public accountant Bo Hjalmarsson as the auditor in charge, was elected at the 2009 Annual General Meeting as the auditor for a term of four years and therefore no election of auditor is required at the 2012 Annual General Meeting.
- The auditor's fees shall be payable upon approval of their invoice.
- The nomination procedure for the 2013 Annual General Meeting shall follow the Nomination Committee Process (described in Annex 2).

LUNDIN PETROLEUM AB'S 2012 POLICY ON REMUNERATION FOR THE EXECUTIVE MANAGEMENT

Application and Objectives of the Policy

In this Policy on Remuneration, the terms "Executive Management" or "Executives" refers to the President and Chief Executive Officer (CEO), the Executive Vice President and Chief Operating Officer, the Vice President Finance and Chief Financial Officer, and the Senior Vice President Operations.

It is the aim of Lundin Petroleum to recruit, motivate and retain high calibre Executives capable of achieving the objectives of the Group, and to encourage and appropriately reward performance in a manner that enhances shareholder value. Accordingly, the Group operates this Policy on Remuneration to ensure that there is a clear link to business strategy and a close alignment with shareholder interests and current best practice, and aims to ensure that the Executive Management is rewarded fairly for its contribution to the Group's performance.

Compensation Committee

The Board of Directors of Lundin Petroleum has established the Compensation Committee to, among other things, administer this Policy on Remuneration. The Compensation Committee is to receive information and prepare the Board of Directors' and the Annual General Meeting's decisions on matters relating to the principles of remuneration, remunerations and other terms of employment of the Executive Management. The Compensation Committee meets regularly and its tasks include monitoring and evaluating programmes for variable remuneration for the Executive Management and the application of this Policy on Remuneration, as well as the current remuneration structures and levels in the Company.

Elements of Remuneration

There are four key elements to the remuneration of Executive Management:

- a) basic salary;
- b) yearly variable salary;
- c) long-term incentive plan; and
- d) other benefits.

Basic Salary

The Executive's basic salary shall be based on market conditions, shall be competitive and shall take into account the scope and responsibilities associated with the position, as well as the skills, experience and performance of the Executive. The Executive's basic salary, as well as the other elements of the Executive's remuneration, shall be reviewed annually to ensure that such remuneration remains competitive and in line with market conditions. As part of this assessment process, the Company, as well as the Compensation Committee, periodically undertakes benchmarking comparisons in respect of its remuneration policy and practices. In such circumstances, the comparator group is chosen with regard to:

- a) companies both within and outside the oil and gas industry;
- b) the size of the company (market capitalisation, turnover, profits and employee numbers);
- c) the diversity and complexity of the company's business;
- d) the geographical nature of the company's business; and
- e) the company's growth, expansion and change profile.

The advice and assistance of specialised consultants may be requested in connection with these comparisons and the Compensation Committee shall ensure that there is no conflict of interest regarding other assignments such consultants may have for the Company and the Executive Management.

Yearly variable salary

The Company considers that yearly variable salary is an important part of the Executive's remuneration package where associated performance targets reflect the key drivers for value creation and growth in shareholder value. Through its Performance Management Process, the Company sets predetermined and measurable performance criteria for each Executive, aimed at promoting long-term value creation for the Company's shareholders.

At the end of each year, the CEO will make a recommendation to the Compensation Committee regarding the payment of the yearly variable salary to the other Executives based upon the achievement of their respective performance criteria. After consideration of the CEO's recommendations, the Compensation Committee will recommend to the Board of Directors for approval the level of the yearly variable salary of the CEO and of the other Executives.

The yearly variable salary shall, in the normal course of business, be based upon a predetermined limit, being within the range of 1 - 12 monthly salaries. However, the Compensation Committee may recommend to the Board of Directors for approval yearly variable salary outside of this range in circumstances or in respect of performance which the Compensation Committee considers to be exceptional.

Long-term Incentive Plan

The Company believes that it is appropriate to structure the long-term incentive plan (LTIP) to align Executive Management's incentives with shareholder interests. Therefore, the Company's LTIP for Executive Management is an incentive plan related to the Company's share price.

The LTIP for Executive Management approved by the 2009 AGM provided for the issuance by Lundin Petroleum of phantom options exercisable after 13 May 2014, being five years from the date of grant. The exercise of these options does not entitle the recipient to acquire shares of Lundin Petroleum, but to receive a cash payment based on the appreciation of the market value of such shares.

The Executives were granted phantom options with an exercise price equal to 110 per cent of the average of the closing prices of the Company's shares on the NASDAQ OMX

Stockholm for the ten trading days immediately following the 2009 AGM. In accordance with the terms of the 2009 LTIP, the exercise price was adjusted in connection with the distribution by Lundin Petroleum to its shareholders of shares of EnQuest plc and Etrion Corporation, and such adjusted exercise price is equal to SEK 52.91. The total number of phantom options granted to Executive Management is 5,500,928, following adjustments in connection with such distributions of shares of EnQuest plc and Etrion Corporation.

Such options will vest on 13 May 2014, being the fifth anniversary of the date of grant. The Executive will be entitled to receive a cash payment equal to the average closing price of Lundin Petroleum's shares during the fifth year following grant, less the exercise price, multiplied by the number of options then held by the Executive. Payment of the award under these phantom options will occur in two equal instalments: (i) first on the date immediately following the fifth anniversary of the date of grant (May 2014), and (ii) second on the date which is one year following the date of the first payment (May 2015).

No Executive who received an award of phantom options will be eligible for a grant of awards under the Company's unit bonus plan during the five year vesting period of the phantom options.

If the recipient of an award of phantom options resigns from the Group or if the recipient's employment is terminated for cause or similar during the five year vesting period, the award of phantom options will immediately terminate. If the recipient's employment is terminated for any other reason during such period, the award of phantom options will vest and become immediately payable, based on the average closing price of Lundin Petroleum's shares during the 90 day period prior to such termination. If a third party acquires more than 50 per cent of the then outstanding Lundin Petroleum shares, the award of phantom options will vest and become immediately payable based on the value per Lundin Petroleum share paid by such third party.

From an accounting perspective the 2009 LTIP for Executive Management is regarded as compensation for services provided and will, under IFRS 2, result in accounting costs which will be distributed over the five year vesting period. Lundin Petroleum's liability under the LTIP will be measured at fair market value and will be revalued at each reporting period. The changes in value will be recognised in the income statement over the five year period so that the accumulated cost over the period corresponds to the value of the LTIP on the final date.

Other Benefits

Other benefits shall be based on market terms and shall facilitate the discharge of each Executive's duties. Such benefits include statutory pension benefits comprising a defined contribution scheme with premiums calculated on the full basic salary. The pension contributions in relation to the basic salary are dependent upon the age of the Executive.

Severance Arrangements

A mutual termination period of between one month and six months applies between the Company and Executives, depending on the duration of the employment with the Company. In addition, severance terms are incorporated into the employment contracts

for Executives that give rise to compensation, equal to two years' basic salary, in the event of termination of employment due to a change of control of the Company.

The Compensation Committee shall approve termination packages that exceed USD 150,000 in value per individual.

Authorisation for the Board

The Board of Directors is authorised to deviate from the Policy on Remuneration in accordance with Chapter 8, section 53 of the Swedish Companies Act in case of special circumstances in a specific case.
